Interlock Brick	9 inch	Rs. 4,800 - 5,800	Rs. 58 - 70
Solid Clay	4 inch	Rs. 5,500 - 6,500	Rs. 55 - 68
Solid Clay	9 inch	Rs. 5,800 - 7,000	Rs. 65 - 78

Terms & Conditions

1. Standard area-based estimate; openings are excluded unless measured separately.
2. Quantity may vary by +/-8% due to tolerance, joint thickness, and site wastage.
3. Prices are indicative and may change with market and transport.
4. MOQ: 500 bricks. Bulk discounts above 10,000 bricks.
5. Delivery and GST charged as applicable. Validity: 15 days.
6. Final binding quote issued after physical site measurement.

Calculation Formula Reference

- Wall Area = Length x Height
- Base Qty (4in/6in/9in) = Area x factor
- Final Qty = Base Qty x 1.05 (5% wastage)
- Cost Range = Final Qty x market rate range
